

THE GLACIER CLUB

ADDENDUM TO TACO MEMBERSHIP AGREEMENT

(Multiple Owners of TACO Unit Accommodating One Family at a Time)

This is an Addendum to a Membership Agreement between me and The Glacier Club, Inc. (the "Club") of even date herewith. All capitalized terms not defined herein will have the meanings ascribed in the Membership Agreement or the Summary of TACO Membership Program, dated May 26, 2017 ("Summary").

We, the undersigned ("Unit Owners" or "we") represent that we jointly own the TACO Unit referenced in the Membership Agreement ("Unit"). We represent that the Unit can accommodate only one family at a time and that we intend for only one family at a time to stay in the Unit. In accordance with the section of the Summary entitled "Multiple Owners or Entity Owner of TACO Unit," if the TACO unit jointly owned by more than one person can accommodate only one family at a time (as reasonably determined by the Club), the Club will charge only one initiation fee and one set of dues at the family level of dues and capital reserve contribution.

We join in the Membership Agreement and agree to the provisions of the Membership Agreement, including the obligation to pay membership dues, capital reserve contributions, fees and charges associated with the TACO membership. We agree to be jointly and severally liable for all dues, fees and charges and capital reserve contribution associated with the membership. Each Unit Owner and his or her immediate family shall have privileges notwithstanding that only one set of dues and capital reserve contribution is required. We understand that the privileges of all Unit Owners may be suspended or terminated in accordance with the Membership Documents if dues and capital reserve contribution associated with the membership and any fees and charges of any Unit Owner are not timely paid in accordance with the Membership Documents.

We agree that all written notices with respect to the TACO Membership from the Club shall be sent to the attention of the Unit Owner who signed the Membership Agreement ("Contact Unit Owner") to the address set forth in the Membership Agreement unless any Unit Owner gives written notice to the Club that such Unit Owner desires to be copied on any such written notice. The Unit Owners hereby authorize the Contact Unit Owner and give such Contact Unit Owner a power of attorney to act on behalf of all Unit Owners with respect to the TACO Membership and the Club may rely on any written notice or other communication received from such Contact Unit Owner, unless any Unit Owner gives written notice to the Club revoking such authorization.

Any Unit Owner may arrange for his or her interest in the membership to be transferred to a transferee of his or her interest in the Unit upon such transferee signing a Club provided instrument agreeing to be bound by the Membership Agreement and the terms of this Addendum and payment of a transfer fee as determined by the Club from time to time.

All terms and provisions of this Addendum shall supersede and control over any conflicting terms in the Membership Agreement.

If a Unit Owner is married, the signatures of both the Unit Owner and spouse are required.
