Fellow Tamarron Owners,

I respectfully submit my application to run for a seat on the Tamarron Executive Board for the next term of three years commencing on September 10, 2021.

I have enjoyed being a full-time resident at Tamarron since 2006. I served as President and CEO of two banks in Durango from 2006 until 2015 and have been deeply involved with the community in both civic and business roles. In the past I have been very involved with many HOAs as a Board Member or as the Bank representative and lender. I enjoy a positive relationship with both the staff and my fellow owners here at Tamarron.

Most recently I was the Chairman of the Board of First State Bank of Colorado, an independent bank with seven Colorado locations headquartered in Denver. I was able to hold this position while maintaining my full-time residence at Tamarron. Banking has been my career for 37 years, and I have served as a CEO or Chairman for over 27 years. I believe my background in finance is an asset to the Board as we move forward in the future.

I was appointed to the TACO Board in November 2017 due to a mid-term vacated seat and was elected for a three-year term at the 2018 annual meeting. The nearly four years that I have spent on the Board have been very enjoyable, and I believe I have been able to contribute much in those years. I believe it is very important to have a full-time resident on the Board who is able to be involved in day-to-day operations. I would like to be the boots on the ground for every member to contact me with any questions and concerns and will do my best to make sure all are heard.

Tamarron is a great place to live, and I will strive hard to make sure it stays that way.

I ask you to consider my candidacy for the TACO Board. If any member would like to contact me before the election, please contact me by phone at 970.596.3061 or email at twinlakescolorado@hotmail.com, or I would be happy to meet you in person to discuss my qualifications.

Sincerely, Boyd Hodges
