

TACO Insurance Committee

<u>Chairman</u>	Joe Carey
<u>Members</u>	Chad Watts
	Jim Rogers
	Kit Turpin

Mission

The pursuit of affordable and adequate property insurance coverage has become a serious challenge for Tamarron. In 2023 our long-time insurance carrier, American Family Insurance, notified the TACO Board that our coverage would not be renewed for 2023-2024. After a very frustrating and ultimately very expensive effort to secure property insurance in the fall of 2023, the TACO Board decided to form a committee to work on bettering our insurance situation as soon as possible.

The committee is comprised of a board member and three TACO owners who are either active or retired insurance professionals. The committee members are Joe Carey (board member) and Jim Rogers, Chad Watts and Kit Turpin.

The simple mission of this committee is to search for and secure a more affordable insurance package with better coverages than what we currently have by or before our renewal date in October of 2024.
